

## LIFE CHANGED IN HARTMAN.

WHEN THE WAR ENDED IN 1945. THE MEN THAT SURVIVED THE WAR, CAME HOME TO FIND A CHANGED WORLD.

THE YOUNGER WOMEN HAD WORKED ALL THROUGH THE WAR, DOING ALL THE JOBS THE MEN TRADITIONALLY DID. THEY WERE USED TO HAVING THEIR OWN MONEY, AND WERE NO LONGER RELIANT ON THE MAN OF THE HOUSE BEING THE BREADWINNER.

THEY WERE NO LONGER BEING TIED TO THE KITCHEN SINK AND BEING BABY MACHINES. THEY WERE NO LONGER BEING SUBSERVIENT TO ANY MAN. THEY HAD GOT USED TO EARNING THEIR OWN MONEY AND NO LONGER SLAVES.

THE LOCAL COUNCIL BUILT MORE HOUSES IN THE 1950'S. THE VILLAGE CHANGED COMPLETELY. DUE TO MODERN FARM METHODS AND FARM MACHINERY! - TRACTORS AND FOREVER CHANGING MACHINES IT WAS NO LONGER VIABLE FOR THE SMALL FARMS TO EXIST.

THEY SOLD OUT TO THE BIGGER FARMS AND THE FARMSTEADS WERE DEMOLISHED AND SOLD FOR BUILDING HOUSES.

THE LARGER FARMERS UPROOTED ALL THE HEDGES TO MAKE IT EASIER FOR THE EVER LARGER MACHINERY.

THE VILLAGE KEYS EXPANDING LIKE THIS AND IS NO LONGER THE SMALL VILLAGE OF PRE-WAR. TODAY 2020 THERE IS STILL MORE BUILDING SOME DONE
